Dear Art:

I am sure you have received the information by now that The Eagles are in The Negro National "Lige" Schedule, for the coming half. season. Abe felt that things should be pretty good this year, and if he can get back any of the money he has invested he wants to try. If it had been left to me we would be through. So much for that.

Abe agreed to play The Grays an exhibition game in Washington April 19th. The following Sunday we play on Long Island, so we are trying to arrange to spend the week in between in Petersburg Va. I thought you might have a spot or two in mind where we could pick up a few dollars that week. It will be too early for night ball, but we might be able to play some twilight. If you have anything in mind let me know.

The men from Puerto Rico are due back this month so we should have a good idea of who we will have. I am sure all the teams will be stronger. We are scheduled in Baltimore May 30th, so you will be able to see us then if not before.

Did the "Lige" do anything about keeping the records? That is the job you spoke of. It's almost too much to hope for.

I will appreciate an answer right away, about the possibilities of a game or two, in case you have nothing in mind I will know where I stand.

Very Truly Yours
